RE: Coastal Zone Consistency for U.S. Army Corps of Engineers (Corps) Reference #
NWS-20142-801,
Bridgehaven Boat Basin Maintenance Dredge, Jefferson County, Washington

Dear Mr. Williams:

On February 20, 2015 the Bridgehaven Community Club Association submitted a Certification of Consistency with the Washington State Coastal Zone Management Program (CZM) to the Department of Ecology (Ecology).

Then on August 19, 2015, Ecology and Bridgehaven Community Club Association sent the Corps a letter advising the Corps that Ecology and Bridgehaven Community Club Association agreed to stay the review period until February 20, 2016.

Ecology has completed its review and pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with the Bridgehaven Community Association determination that the proposed work is consistent with Washington's CZM Program.

If you have any questions regarding Ecology's consistency determination please contact Helen Pressley at (360) 407-6076.
